

Sacred Sycamore

Animal Rescue

Foster/Volunteer Application

Welcome to Sacred Sycamore's foster/volunteer program. Because we are foster-based and do not have a shelter, fosters are the life blood of our organization. Our fosters and volunteers enable us to save more animals and the humans to rescue them. We request the following information so that we can find the best foster homes for our rescues. This form and a consultation with a Sacred Sycamore representative are designed to help you find the animal most compatible with your lifestyle.

To be considered as a foster, you must:

- Be 21 years of age or older
- Provide identification with current address
- Have the consent of your landlord (if applicable)
- Be able and willing to spend the time and money necessary to provide proper socialization, care and medical treatment for the dog.

Please print legibly and answer all questions. Thank you!

(If you are not planning on fostering, please mark N/A for non-applicable questions.)

In the event you are not able to continue to foster or need to interrupt your foster for a period of time, please communicate as early as possible so that we can find another foster to accommodate your needs.

All expenses must be approved by Sacred Sycamore. All supplies and veterinary services are provided through our vendors with whom we negotiate discounts. Other expenses not approved by Sacred Sycamore will not be reimbursed.

Lastly, we are very familiar with "foster fails!" Sacred Sycamore will share with you the adoption fee necessary to make your foster a permanent member of your family.
